Tour Details.

At 08.00 am: After breakfast, you will meet the private guide and private driver at the hotel and depart to visit the unique cultural Salt Field in Hon Khoi.

The Hon Khoi Salt Fields is one of the most unique tourist destinations in Nha Trang, where mounds of natural salt are manually harvested from shallow fields along Doc Let Beach. Salt production is a thriving industry in Nha Trang due to Vietnam's extensive coastline, generating about 737,000 tonnes every year. Hon Khoi Salt Fields are also popular spots for photography, where you can capture great views of the salt mountains and workers carrying heavy baskets across the fields well as a pagoda that sits atop a nearby hill. The fields are accessible within an hour's drive from the city center, though there are many full-day excursions where you can also visit other significant landmarks in Nha Trang.

After the interaction, photoshoot, you will say goodbye to the local people and then go to the Doc Let beach for some relaxing time under the palm trees.

Then, you will return to the Nha Trang city to visit the famous Cham Ponagar tower, worship place of Thien Y Ana Mother of Cham people, find out the mystery history and life of the Cham.

Go to the local restaurant for lunch. After lunch, you will go to visit the long Son pagoda and Dam local market, you may wish to buy some fruits before going back to the hotel.
